RUN BY THE COMMUNITY FOR THE COMMUNITY

Golden Hedgehogs 3km Woodland Walk: Suggested Route Information

Thank you for supporting our Golden Hedgehogs sponsored 3km walk in aid of our local hedgehog conservation work. This fun and family-friendly fundraising challenge shows just how far hedgehogs can travel in a single night. You can also find golden hedgehogs along your journey. Encouraging little legs in our community, to take big steps, will make a big difference for hedgehog survival.

Please see separate **Terms and Safety Information** and **Sponsorship Form**.
